

2009 TAX CREDIT INFORMATION AND FORM
VOTED 2007 NON-PROFIT OF THE YEAR
FOUNTAIN HILLS CHAMBER OF COMMERCE

Dear Friends of Extended Hands Community Food Bank,

The State of Arizona has given taxpayers a wonderful avenue of charitable giving that actually gives the contributor a double tax incentive. (A tax **credit** on the state level and a tax **deduction** on the federal level.)

The Tax Credit System as one faithful contributor put it is “a no-brainer” for the tax payer who is going to pay taxes one way or another. A tax credit allows the payer to designate the dollar amount and reduce their tax obligation by that amount. **For example, a contributor who owes a \$1000.00 in Arizona State Tax can give up to \$400.00 to the Food Bank as a contribution and receive a tax credit and also deduct the same amount from their federal tax obligation as a charitable donation.**

Our goal again this year is to raise \$80,000.00 for the food bank operation. This would only take 200 couples giving the maximum of \$400.00 this calendar year. Single contributors can give up to \$200.00.

Please, help us get the word out to family members, church members, club members, neighbors, friends and co-workers. **TOGETHER WE CAN MAKE A DIFFERENCE IN OUR COMMUNITY!**

Forms can be copied or downloaded from our web-site at www.ehfb.org or picked up at the food bank.

Thank you,
Extended Hands Food Bank
